### OTHER TERMS AND CONDITIONS:

1. The parties are responsible for their individual acts of commission and /or omission, due to their negligence with respect to financial risks, compliance of statutory liabilities and obligations, and render services in accordance with the terms and conditions agreed herein.
2. The parties shall perform their obligations towards each other in such a manner herein committed as would prevent acts of commission and/or omission resulting in breach of the terms and conditions and loss to each other.
3. This Engagement is not intended nor shall be construed as creating a joint venture, partnership or other form of business association.
4. In no event shall SOMITEL be liable for any incidental, punitive, direct, indirect or consequential damages whatsoever, (including but not limited to damages for loss of profits or confidential or other information, for any kind of interruption, for personal injury, for loss of privacy, for failure to meet any duty including of good faith or of reasonable care, negligence, and any other pecuniary or other loss whatsoever) or otherwise in the event of fault, tort (including negligence), misrepresentation, strict or product liability, breach of contract or breach of warranty and even if the party has been advised of the possibility of such damages.

#### 5. Termination

This Engagement being for a specific period shall come to an end upon expiry of the date of validity of this Engagement. This Engagement may be terminated for convenience and without cause before the expiry of the validity period by SOMITEL by giving 180 days' notice.

The parties shall be entitled to terminate this Engagement with at least 180 days prior written notice, if it discovers that the other has committed acts of commission or omission which is prejudicial to the interests of party terminating the contract and has concealed information required by the party to check the compliance of the terms and conditions of this Engagement.

All rights and entitlements of the parties relating to IPR, trademarks, copy rights, and confidentiality of business process, methods and documents shall survive without limitation, expiry, determination or termination.

#### 6. Confidentiality of Relationship and information

The parties shall severally take care to ensure that the information provided by the other party remains confidential and further agree not to use the Confidential Information for any

### Letter of Engagement

**Bhilai Mahila Mahavidyalaya, Bhilai & Somitel Computers, Bhilai** concur to collaborate for inclusive growth

The Education & Training Service Engagement (hereinafter referred to as "Engagement") is made and executed on this 8th day of August 2019 at Bhilai by & between **Somitel Computers & Bhilai Mahila Mahavidyalaya, Bhilai**.

#### **Somitel Computers**

We started our centre in Year 1994 as a training education in Bhilai. We have trained more than 10,000 students of Durg-Bhilai. Our specialization field is Accounts and Finance in training industry. We are associated with Tally Company, Bangalore since 2003 as Sales & Service partner and authorized Training institute authorized by Tally Education Pvt. Ltd. Bangalore for providing Tally software trainings. It is located at 121, New City Centre, Bhilai.

#### **Bhilai Mahila Mahavidyalaya**

Bhilai Mahila Mahavidyalaya is a very well known institution and founded in 1979. Over the span of almost 37 years the college has grown to meet the challenges of time with courses in diversified fields, along with various Career oriented programmes being incorporated from time to time as per the need of the day to give the girl students not only better education but also employment opportunities, right here in their own home town.

#### **Somitel Computers & BHILAI MAHILA MAHAVIDYALAYA**

We share the common vision of empowering the students by imparting industry relevant skill sets and increasing their employability. The challenge for any academic institution remains how to make their students "job ready" on graduation. To address this issue Tally has come up with a unique proposition wherein we train the students at the college premises, thereby making quality training available without any intervention, at your place at your pace. The training is also subsidized to make it more inclusive to the mainstream education.

#### **Role of SOMITEL:**

SOMITEL will provide Trained Faculty for the training of "Financial Accounting Using Tally.ERP9 (Basic & Advance)" courses to **B.Com First Year & Second Year** students of Bhilai Mahila Mahavidyalaya

## About Us

At ICA we're investing heavily in new teaching facilities. We can give your students "positive skills" for public employment opportunities and contribute to their growth. ICA was founded in 1999, and began its journey with the aim to train and provide high quality services at affordable prices to the masses. As part of our mission, we have already shaped thousands of careers and changed people's perception on Accounts & Finance education. As a result, we have an exceptional record in Accounts & Finance training worldwide with our distinctive training centres across the country offering the widest range of practical and building training programs. With the experience of having trained and placed over 8 lakh students, ICA has been recognized as India's Best Vocational Training Institute\*.

With our presence in 100+ cities and a substantial presence in metropolitan areas across India, we take pride in contributing to India's skill building infrastructure, empowering individuals and businesses as a partner with universities and governments.

\* Awarded by Herald Academy 2011.

Handwritten signatures and initials, including a large 'S.D.' at the bottom right.

*"Good training is a game of two halves - content and delivery; and we work really hard to ensure we get both right."*

Pioneer in imparting Computerized Accounts, Finance and Taxation courses and was one of the first players in the industry to offer job-guaranteed training program.

#### Our Program

ICA imparts comprehensive practical training to students through its courses. By the end of the career courses, students are industry-ready and are capable of joining any firm in a respectable position. To provide an add-on to what you teach your students, we are keen to associate with you to provide value added 100% practical training. This will help the students to face the challenges of life as first step of their professional career.

#### Our Offerings and Customized Trainings

In today's corporate world accountants play a significant role in decision making and are an integral part of strategic thinking of the company. This increased importance not only ensures a bright career (salary) prospectively appears to be even brighter for those who want to pursue accounting as a career. The courses offered by ICA have been designed after years of research to understand the pressing needs of the industry. The courses prepare accountants who are totally relevant for the industry.

Students are taught Business Computer Application, Financial Accounting, Advanced Practical Accounts, Banking, Payroll & Investments, Taxation, B.O.C., Excise & Service Tax, etc. in which they are in high demand due to their knowledge in accounts and practical orientation.

Industry relevant courses available in ICA with following modules:

- Business Computer Application •Business Accounting (Basic ERP)
- Business Communication •Direct Taxes •Indirect Taxes •Advanced Fundamentals of Accounts

We also customize our courses based on students' requirements.

*[Handwritten signatures]*

### Experimental 100% Practical Learning

Our accredited trainers follow experiential learning system to ensure a better impact on participants. Our trained faculties hail from industry and bring in their rich experience in the class. Various student training tools and personal attention ensures that the students' grooming is impeccable and training is meaningful.

### Quality Assurance (QA)

Maintaining the same levels of quality at all our centers across the country is one of the key elements in our system. We ensure that every ICA Centre should adhere to the highest quality terms set by the company and maintain industry standards while delivering the best possible service to the students. Our Quality wing conducts Examinations; gives regular training and periodic guidance to our faculty members; checks the progress of the students and very closely monitor the life cycle of every student at ICA.

### Placement:

At ICA we value Placement as the core factor as it is the key element to earn student's satisfaction and generate positive word of mouth. We have a centralized placement team to assist every associate in generating leads of the prospective employers. This team takes care of the employment of every student; they conduct periodic campus interview and pre-placement activities.

This helps us attract some of the best recruiters from across the country. We are proud of our association with over 70,000 employers that is being added every day.

You can also go through the testimonials of different students who got placement according to their satisfaction after completing courses from ICA and our clients-based placement history in our website [www.icajobguarantee.com](http://www.icajobguarantee.com) (number of successfully placed candidates is indicated in the Website)

Following points are worth mentioning in relation to above program

- Faculty: ICA's trained and qualified faculty
- R&D team: well researched study materials developed by in-house R&D team
- Quality Assurance: Ensuring quality at the delivery point.
- Placement: placement cells in action for providing job to the students
- Simulation software: 11 online simulation software
- Placement Officer for CIA & SAP Training

This agreement is entered into between the NITZA BIOLOGICALS and the Bhilai Mahila Mahavidyala. Both the parties share the common goal of achieving seamless application and information sharing, services, and functional areas for technology, project work, consultancy and industry oriented education and to facilitate the interoperability requirements and assessment for the growth of biotechnology in particular and Bioscience in general.

### II. PURPOSE

The purpose of the Memorandum of Understanding (MOU) is to facilitate a collaborative partnership between NITZA BIOLOGICALS and Bhilai Mahila Mahavidyala, that advances the scientific and technological capabilities of the Nation. It is imperative to coordinate the education efforts of these Agencies to promote a comprehensive knowledge base for addressing national challenges and to manage resources efficiently. Building on individual agency strengths and competencies, collaborative partnerships extend and

strengthen the work of the Agencies to ensure future generations have a bright future.

### III. BACKGROUND/GOAL OBJECTIVES

**Bhilai Mahila Mahavidyala:**

**Well-known institution named Bhilai Mahila**

**Mahavidyalaya in 1976.** Over the span of almost 36 years, the college has grown to meet the challenge of time with course in diversified fields, along with various career-oriented programmes being incorporated from time to time as per the need of the day to give the girl students not only better education but also employment opportunities, right here in their own home town.

### NITZA BIOLOGICALS

Nitza is a biotechnology training, research, development and consultancy firm.

NITZA plays a critical role in supporting fundamental research, education and infrastructure at colleges, universities, and other institutions throughout the country, and is the principal Biotechnology agency, charged with promoting bioscience education, training and consultancy at all levels. Leadership in today's knowledge economy requires world-class scientific and a national workforce that is scientifically, technically strong. As such, the development of a diverse, competitive, and globally engaged talent. Workforce of scientists, technologists and well-prepared citizens is a primary goal for the Foundation. Embedded in all Nitza programs are efforts to build a more inclusive, knowledgeable, and globally engaged workforce that fully reflects the strength of the Nation's diverse population. This helps ensure that the India has world-class scientific and research through attitude and attitude in the years ahead.
