

A two day webinar was organised by the Computer department entitled 'Cloud Computing Virtualization' and 'Data Science' for all PG students with speakers from BIT, Durg. The speakers were very informative in their respective topics.

The Commerce Deptt. organised two faculty development programmes entitiled 'Small teaching Strategies that give big results in COVID-19 lockdown' by Mr. Sanjay Ashtekar, State Head ICFAI Business School C.G. and 'How to maintain quality education during COVID-19 by Mr. Ashish Kumar Pathak, CEO smart city, Jabalpur.

The session ended with yet another International Webinar on 4th June 2021 entitled 'Water Conservation - Today's Need and Solutions' with relevant speakers from within and outside the Nation. The speakers apprised the participants with the topics related to their specific fields of profession which were found very interesting and informative.
